

# DONCASTER OFFICE

## Getting Here ...

### By Rail

Nearest station is Doncaster. The office may be reached from the station via the footbridge over the railway line. Steps up to the footbridge are located at the southern end of Platforms 4-8. On the footbridge, head westerly away from the station towards the long brick building. The reception at Denison House is on the left at the end of the footbridge. Reception is staffed until 13:45; after that, please press the button marked 'JBA Consulting' which will ring through to our reception, who will open the door. For timetables see ([www.nationalrail.co.uk](http://www.nationalrail.co.uk)).

### By Road

Denison House is located to the west of Doncaster town centre. The easiest way to approach by car (especially given the current road works) is from the A1. Directions are therefore given for that route, as follows:-

- Exit at Junction 36 and take the A630 towards Doncaster.
- After about 1 mile, immediately after The Plough Pub, turn left at the traffic lights onto Greenfield Lane / Hexthorpe Road. Follow this road for approximately 1 1/4 miles, then take a left turn immediately after The Plant public house.
- Turn right (signposted to Denison House) towards the security barrier. Inform the security guard that you are visiting Denison House and you will be directed towards the designated parking area.
- Follow 'At Denison House' directions below.

### At Denison House (See Map 2)

From the car park, walk along the access road between the buildings for a distance of some 200 metres. Take the steps leading up to the right and the main building reception is on the right at the top of the steps. If the reception area is unstaffed, push the door button marked 'JBA Consulting'. Our receptionist will then open the door. Follow the corridor leading left, through four double doors, and our Main Entrance is in front of you.

### Parking

Free parking is available by prior arrangement

### Disabled Access/Facilities

Disabled access and facilities are limited. Disabled visitors are advised to check with the office prior to their visit so that suitable arrangements can be made.
