

1

Exit Saltaire Station and proceed towards Salts Mill crossing over Victoria Road

2

Proceed down the steps

3

Head through the iron gates directly in front of you and take the first turning on your left

4

Proceed to the end of the cobbled road towards the glazed doors in the building directly in front of you

5

Enter through left-hand set of double doors, through the single door in front of you, and up the stairs. At the top of the stairs turn left through the doors and our office door is immediately to your right. Press the intercom

1

Enter the Salts Mill grounds through the iron gates ahead at the end of Salts Mill Road. Take the first right after the gates into the Visitor Car Park. Leave the car park on foot and head towards the big chimney along the road adjacent to the railway track

2

Stay on this road and continue past the chimney towards the main Mill buildings. Head across the private car park towards the arch with the large satellite dish next to it

3

Enter the passageway

4

Turn left at the end of the passageway and head along the cobble road between the Mill buildings towards Victoria Road

5

Towards the end of this cobbled road turn right and follow steps 4 & 5 on the previous page
